Bug Description

The product description for the **Sauce Labs Backpack** contains incorrect syntax at the beginning of the text (`carry.allTheThings()`), making the description look unprofessional and reducing content quality.

Preconditions

- User is logged in using valid credentials (standard_user)
- User is on the Product Listing page

Steps to Reproduce

1. Open the SauceDemo application.
2. Log in using valid credentials.

Username: standard_user

Password: secret_sauce

3. Navigate to the Product Listing page.
4. Open the “**Sauce Labs Backpack**” product details.
5. Observe the product description displayed for the item.

Expected Result

The product description should be grammatically correct, free from unnecessary syntax or code-like text, and clearly describe the product without spelling or formatting errors.

Actual Result

The description starts with the text `carry.allTheThings()`, which appears to be unnecessary code-like syntax and makes the description incorrect.
