Bug Description

The Privacy Policy link displayed in the footer is not clickable. Users are unable to open the Privacy Policy page, preventing them from accessing important privacy-related information.

Preconditions

- User is logged in using valid credentials (standard_user / secret_sauce).
- User is on the Product Listing page.

Steps to Reproduce

1. Launch the SauceDemo application.
2. Log in using valid credentials:
 - Username: standard_user
 - Password: secret_sauce
3. Navigate to the Product Listing page.
4. Scroll to the bottom of the page.
5. Locate the Privacy Policy link.
6. Click the Privacy Policy link.
7. Observe the application's behavior.

Expected Result

The Privacy Policy link should be clickable and redirect the user to the official Privacy Policy page.

Actual Result

The Privacy Policy link is not clickable and does not redirect the user to the Privacy Policy page.

Evidence

- Screenshot showing the Privacy Policy link in the footer.

- Screen recording demonstrating that clicking the link has no effect.
